HIS HIGHNESS

The humble Memorial of DHURMAPRAVARTHA GUBBI THOTADAPPA of Bangalore.

May it please Your Highness,

YOUR Memorialist most respectfully begs to state that when he contemplated building a Chattram near the Bangalore City Railway Station, the cost of it was estimated at about Rupees twenty-five thousand, but it has now come to more than a lac and-a-half.

PS Rec'd 24.11.06

2. MEMORIALIST applied to Government that the land on which the buildings stand might be given to him free, but this was not granted, and he had to pay more than eight thousand rupees to acquire it The Railway authorities enjoined that the building should be constructed so as to be an ornament to the Station. It is for this reason that the architectural plan of the building was enlarged and improved upon at great cost and the building has become one worthy of the capital of the State. As it is so close to the City Station the Company made it a condition that the Chatram should be kept clean and neat and that all the Sanitary improvements of the present day should be strictly observed.

3. POOR Lingayet and other travellers who flock in great numbers are fed gratis once a day, and further a number of Lingayet students will be accomodated and fed in the Chattram and all their wants supplied. To accomodate these students ten rooms have been built. Thus maintaining a large number of servants, feeding poor travellers and deserving students and the annual repairs to the buildings together with the lighting of the premises and other maintenance charges will all cost at least Rs. 400 per month.

4. As the Chattram is so close to the Station, travellers find it very convenient to have recourse to it, take their food and bath and go by the next train.

5. NATIVE refreshment rooms are also attached to the Chattram for the convenience of Brahmins and others who do not dine with Lingayets,

6. THE Chattram is purely a public institution and is largely used by all classes of people and much appreciated by them It has been inaugurated under the encouragement and auspices of Your Highness. Memorialist begs to invite Your Highness's kind attention to the fact that if the building had cost him what was originally estimated at, he would have been able to invest two lacs of rupees to endow the charity.

7. Your Highness's Government which has ever been famous for its benevolence has granted Inam lands and Inam villages for the maintenance of such institutions and in certain instances 5 % interest has been granted on endowments.

8. Memorialist does not beg for any Inam lands, but earnestly solicits that Your Highness may be graciously pleased as a special case to grant 5 % interest on the Rs. 75,000 which he is going to invest as an endowment to the Chattram in Your Highness' treasury.

For which act of kindness the Memorialist will ever pray as in duty bound for Your Highness' long life and prosperity,

Dear Sir,

When in Bangalore last week,I inspected the Chutram lately built near the City Station,Mysore State Railway,by Mr.Thotadappa.He handed me the attached letter. I told him that all I could do in the matter was to write to you ,certifying to the great benefit the Chutram is to railway passengers. This I gladly do. The Chutram,as I dare say you very well know, is extensively resorted to by passengers going to or coming from the City Station and must be of immense benefit to them.

Yours faithfully,

Sir,

I respectfully beg to enclose copy of a memorial which I addressed to His Highness the Maharajah of Mysore praying that 5% interest may be granted on the 75,000 Rupees which I intend to deposit in the Mysore Government Treasury for the aforesaid purpose stated in the memorial.

(2) In addition to what I have already represented in the memorial, I beg to state that if the Ichuttram, which is contiguous to the Station, is not kept perfectly clean and in a proper sanitary condition, any epidemic that might break out may spread to the quarters of the Railway Servants who live in the immediate neighbourhood resulting in considerable harm & consequent inconvenience to the Rly by absence from duty through illness

(3) The Ichuttram is much resorted to by the public who can come & go to the station from it in time to get into the train without undue haste & obviating the otherwise necessary overcrowding, rush, and confusion at the platforms besides avoiding any unnecessarily long wait at the Station.

(4) The Ichuttram would not have come into existance, if you had not kindly granted the land for its cons

I would mention that, the travelling public are aware that, every accommodation and comfort is afforded them there Therefore they come in great numbers, and thus means an increase of revenue to the Company The Chuttram affords, convenience food Shelter for all classes without prejudice & has Sufficient rooms for the accommodation of all this fact you may kindly gather from a personal inspection of the place

(5) In these circumstances and also for the reasons given in the memorial I respectfully beg to solicit, that you may be graciously pleased to address the Mysore Durbar to kindly grant me the rate of interest I have asked for a purely philanthropic purpose & its maintainance and for which I & the travelling public Shall ever feel grateful & as in duty bound ever pray for your honour long life & prosperity
